Interactions with Children Policy: Behaviour Guidance Code

This policy/ procedure must be read in conjunction with the following Department for Education policies/ procedures:

- [Behaviour support policy \(edi.sa.edu.au\)](http://edi.sa.edu.au)

Rationale

To encourage warm nourishing relationships between children and educators that support and view children as strong, powerful, capable, curious, competent, complex learners with a developing growth mindset. All staff are guided by a variety of learning frameworks to ensure children are safe- physically and psychologically, equitable, engaging, purposeful and meaningful for the child.

The behaviour management beliefs and practices at Willsden Childhood Service Centre contribute to the safe and positive environment provided for all children. To successfully implement this policy, it is important that parents/ caregivers, staff and children work together in an honest and cooperative manner and promote open communication at all times.

At no time will staff use physical punishment, put downs or intimidation to discipline children.

STRATEGIES/CONSEQUENCES

When the children demonstrate inappropriate, uncooperative behaviour, staff will intervene using the following steps:

- Remind the child(ren) about "rules", "expectations" and acceptable behaviours
- If the inappropriate behaviour continues, then either distract child(ren) and/ or redirect
- Sit and talk to child (ren)
- Time to self-regulate/ reflect in a safe space before educator steps in to talk to child (ren)
- Time in. This is where educator will hold the child's arms across the child's chest, whilst in the educator's lap. This technique is used ONLY when the child becomes physical in an unsafe manner to themselves or another person.

STAFF WILL ENSURE THAT STRATEGIES/ CONSEQUENCES ARE CONSISTENT TO ALL CHILDREN.

- If a child continues to behave inappropriately director or site's teacher will speak to parents and discuss strategies.
- At times it may be deemed necessary for staff and / or families to seek assistance to specialist staff.
- At all times, when children demonstrate appropriate positive behaviour, children will be praised and encouraged.
